Home Spa with Chiva-Som

Take the Chiva-Som experience home with you

Chiva-Som's most popular face and body products are now available in chic new packaging from the specially blended range used in the resort, to allow guests to take home some of the Chiva-Som unique spa experience.

For over 15 years, Chiva-Som has been widely regarded as the best destination spa in the world. At its Hua Hin resort, Chiva-Som offers highly personalised, goal-oriented programmes embracing spa, fitness, holistic health and medical spa. Every treatment uses proven methodologies; there is no hype or gimmick, Chiva-Som takes pride in delivering on its promises. The same is true of its products. Created to capture the essence of Thailand, each of Chiva-Som's products has the same commitment to quality and results. Using professional-grade aromatherapy, plant extracts and organic oils, Chiva-Som's signature range also draws on the latest innovations in skincare technology to ensure an ideal blend of spa experience and performance.

Reflecting this, each product in the Chiva-Som range has been meticulously crafted using the latest skincare technology whilst drawing on years of experience, incorporating unique insights into traditional Asian healing practices. Formulated using modern aromatherapy and apothecary techniques, Chiva-Som products use only gentle but effective food-grade preservatives. There are no parabens, phenoxyethanol, petrochemicals, silicones, animal-derived ingredients, or artificial colours or fragrances. The products range from 95% - 100% pure; All outer packaging has been made with recyclable paper.

The range incorporates seven body-care and 12 face-care products as well as five massage oils and is suitable for both men and women. Delivering products that are true to the holistic philosophy of spa, each has been created by experts combining aromatherapy, botany, chemistry and perfumery. All the principal ingredients in the range ensure the most effective daily aids to keeping skin fresh, natural and looking its best.

For the face, the Chiva-Som product range features revitalizing and purifying masks; refreshing facial sprays to freshen and hydrate the skin; healing facial massage oil to heal, calm and rejuvenate; and an eternal youth face and eye serum, containing a high concentration of antioxidants. Chiva-Som's products for the body include a nourishing body butter ideal for very dry and sensitive skin; a body mask to soothe aches and pains; a zesty Thai body polish and a variety of massage oils using a potent blend of organic oils.
