About Evelyn

Evelyn is Co-founder of Touch of Soul, Naturopathy & Kundalini Yoga Holistic Health Care and Addiction Recovery Centre, Germany (www.touchofsoul.eu). Certified as a Naturopathic Doctor with state approved license of practicing alternative medicine treatments as Kinesiology, psycho-kinesiology, energy healing, counselling, regression therapy and re-incarnation therapy (LBL) according to Michael Newton and many more. As a reiki master, she is gifted with intuitive healing capacity to know and understand the root cause of your pain and suffering. Through this gift, she is able to carry your pain and suffering out and activate your inner healing process. One of her patients said: "I was not able to move my left arm for 40 years, through a few sessions with you, I am now able to move it again. This is like a miracle for me. You helped me to heal the trauma which was causing the blockage to move my arm after the surgery."
