

## Handwriting Analysis By Lena Rivkin

Lena Rivkin, MFA, artist and graphologist (professional handwriting analyst) will present inspirational and educational programs for the Chiva Som guests on what a person's handwriting can reveal about their inner self. For over 20 years, Lena has built a global reputation with a clientele that includes a wide range of international businesses and professional organizations, celebrities and other individuals seeking greater self-knowledge.

Graphology can reveal a person's aptitudes, intelligence, sex drive, integrity, psychological and mental health. It is tantamount to body language in uncovering your innermost feelings and desires.

Lena has been featured in publications such as *The Los Angeles Times*, *The Houston Chronicle*, *Mademoiselle*, *The Miami Herald*, and *Fortune*. She has also appeared on numerous television shows and as a featured guest on radio.

Lena will present group lectures on graphology as well as provide opportunities for private consultations. The private consultations will offer a deeper insight with the potential for unlimited personal growth and empowerment.

*" I feel truly blessed for the privilege of having Lena Rivkin as a consultant and regular presenter at my spa. Lena is creative, insightful, and exceptionally gifted. Our audiences universally agree that her presentations are as revealing as they are entertaining." -Sheila Cluff, Owner of The Oaks at Ojai, California USA*
