

Energy Healing **with Richard Currall**

"Richard Currall has a gift that can genuinely improve a person's quality of life, performance and outlook." – *Richard Carter, British Businessman*

1/2 Hour Free Session

Initially, if you wish, Richard offers a complimentary 30-minute private consultation for guests to discuss energy healing for the body, mind and spirit and how he can help you.

Richard treats all conditions; *anything* and *everything*. By simply placing his hands near the affected area, he can identify areas of pain or discomfort and significantly reduce or completely remove the condition during treatment. His ability has been proved to accelerate recovery time and healing allowing his patients to return to former levels much sooner than expected.

Body Healing – A re-energising treatment from Richard focuses on healing new and old injuries and ailments such as arthritis, back, neck and shoulder pain, joint problems, sports injuries, repetitive strain injury (RSI) and stomach disorders, just to name a few.

Mind and Spirit Healing – Richard is truly adept in helping patients improve the quality and quantity of sleep, enhancing one's ability to concentrate and deeply focus on important issues and he also treats depression, migraine headaches and jet lag. He also teaches a simple form of meditation to calm and focus the mind, which has helped Olympic athletes, for example, not just to win but to perform personal bests.

"Without question, Richard's healing has been a major reason why I am now back in full training and injury free." *Shani Anderson, Olympic Athlete*

"Quite simply, Richard makes me feel better. A treatment with him has a similar effect as a restful holiday, only in a fraction of the time." *Nick Cooper, Athlete*
