WWW.CHIVASOM.COM

Your 'Haven of Life', Where Healing Begins.

Pioneering and transformation wellness destination Chiva-Som Hua Hin offers all-encompassing retreat stays in a tranquil beachfront setting. Located a few hours' south of Bangkok overlooking the Gulf of Thailand, seven acres of landscaped gardens make for an ideal and private escape from the world.

Our retreat stays are based on six modalities of wellness – Spa, Holistic Health, Fitness, Physiotherapy, Aesthetic Beauty and Nutrition – with each programme tailored to your current needs and goals. Your stay can be as active or relaxing as you please with up to nine complimentary classes to join each day. A dedicated health and wellness consultant will be on hand to guide you through your journey, recommending the most suitable treatments and activities from the hundreds we offer.

Chiva-Som's unique, holistic approach to wellness has resulted in awards from around the world, including 'Best Destination Spa in the World' at the Condé Nast Traveler's Readers' Choice Awards 2022. It has also resulted in the birth of Zula Wellness Resort by Chiva-Som in Qatar, providing wellness and lifelong transformation for multi-generation families.

◆ WELLNESS FACILITIES & ACTIVITIES

Chiva-Som Hua Hin offers amongst the most extensive wellness facilities in the world. The Health and Wellness Centre is the heart of our offering, a multi-storey haven of serenity with dedicated treatment rooms, and a relaxation area of daybeds and wet facilities. The Hydrotherapy treatments feature flotation tubs, jet blitzes and a Watsu pool. The Bathing Pavilion has a large Jacuzzi, sauna, steam room, plunge pool and Kneipp reflexology walk, as well as an indoor pool for aqua-aerobics. Guests are also invited to enjoy the outdoor pool by the ocean.

The gymnasium is equipped with all the latest machines, with dedicated spaces for stretching, personal training, dance, reformer Pilates and yoga. Physiotherapy facilities include refunctional, Neurac® and Isokinetic studios.

Each day, there are up to nine classes on offer, from low-impact yoga and corrective posture exercise to high-energy boot camp, HIIT and TRX. Many of these classes are held in our open-air salas dotted about the tranquil grounds.

WELLNESS CUISINE

At Chiva-Som Hua Hin, wellness cuisine is an integral part of our offering. Using the fresh, seasonal produce we grow in our organic gardens, each meal is well-portioned, nutritious, and importantly, delicious. Dietary plans are wide ranging and personalised in consultation with your nutritionist.

The Emerald Room presents contemporary haute cuisine in a formal setting and opens in High Season to avail of favourable climate. While the Taste of Siam is a more casual affair, al fresco overlooking the beach. Guests will also find healthy snacks and teas in their in-room wellness minibar.
