EXCLUSIVE NECK-SUPPORTING-PILLOW
This pillow provides pressure-relieving supportive comfort whether you sleep on your back or side Providing more pressure relief than other foam pillows, it is eco-friendly, dust-mite resistant and anti- microbial, 100% pincore latex.

CHERRY STONE PILLOW
Cherry Stones filled pillows are well known to treat cramps, aches, and pain. Nature provides this healing material that can be used at room temperature, heated easily in the microwave, or cooled in the freezer and used as a treatment. The pillow is only recommended as support when laying on your back to restore the natural curve of the neck and cervical spine.

HORSEHAIR PILLOW
This pillow provides a warm and dry sensation, is a great moisture and temperature regulator, widely used for babies and young kids and because of its anti-rheumatic properties.

ANATOMIC PILLOW MEMO CARE
This pillow is well known for its ergonomy and to change with the sleep position and recover the original shape when pressure is released. It moulds to the structure of the head and neck for a comfortable rest without triggering head and neck pains facilitating the best position for the spine.

PILLOW WITH PERLA CIRMOLA
The Perla Cirmola is a breathable and hypoallergenic pillow with a core filled with soft flakes of pure virgin wool and pinewood, which gives a natural wooden aroma, has antibacterial qualities, reduces your heartbeat and ensures excellent regeneration during sleep. The presence of Vitamin C and essential oils transmits positive influences that promote relaxation and improve sleep, favouring psychophysical recovery.
